Must be some other way  
Must be something to say  
There's no doubt  
You are changing, you're slipping away  
It's been hard and I know  
We had a long way to go  
But I'll say it again  
I Love You So!  
Let me show  
There is something that I want you to know ohhh..

[Chorus]  
[background: want you to know]  
Can't get you outta my mind  
I'm not the easiest kind  
I know I've done you wrong  
Just wanna say I'm sorry  
I wasn't easy and bad  
How could I hurt you again  
Been acting like a fool  
Just wanna say, I'm sorry

I have asked you to stay  
Nothing moved you this way  
I gave you my heart  
Don't throw it away  
Please don't say it's too late  
Pick your time  
I can wait  
Let me show you again  
I Love You So!  
Let me show oohhh..  
Let me show..

[chorus]  
Can't get you outta my mind  
I'm not the easiest kind  
I know I've done you wrong  
Just wanna say I'm sorry  
I wasn't easy and bad  
How could I hurt you again  
Been acting like a fool

Just wanna say, I'm sorry  
{bridge}  
No easy explanation  
We lost communication

You're not the same (you're not the same)  
I'm the one to blame (I'm the one to blame)  
Our love is here just take it  
No fool for love could break it  
So just take it.. uh oh..

Can't get you outta my mind  
Oh precious say you'll be fine  
Can't get you outta my mind, mm..  
Oh precious say you'll be fine

[repeat hook]  
Just want to say I'm sorry  
[Sooooorry]  
can't get you..Sorry  
out of.. of my head..  
oh oh, oh oh.. Sorry, Sorry  
out of, of my head..
