She said she'd love me
Forever
He said that we were
Together
She told me I was the
Only one
Se told me I'm not the
Only one
She said that I could
Believe her
He said that he wasn't
With her
And it's all messin' with
My head
Innuendo, He said She
Said

Can't make up my mind
Which one is tellin'
Lies?
Is she coverin' my eyes
And the truth I need to
Find, Yeah!

I just can't take it baby
Look what you've done to
Me
You know you drive me
Crazy
Look what you've done to
Me
Keep pushin', pullin'
Baby
Look what you've done to
Me
If you don't want me baby
Can't take all this, he
Said she said

*Shes in my one ear,
Giving the other*
Has he been faithful or

Is she his lover
She said there's no need
To worry
Im scared that hes
Going to hurt me
How could you do it baby

It's killin' me inside
Which one is tellin'
Lies?
And the truth I need to
Find
How can I be so blind,
Yeah!

I just can't take it baby
Look what you've done to
Me
You know you drive me
Crazy
Look what you've done to
Me
Keep pushin', pullin'
Baby
Look what you've done to
Me
If you don't want me baby
Can't take all this, he
Said she said

Its tearing me apart
Quit playing with my
Heart
Girl good love is hard to
Find (good love is hard
To find)
All that I go through
You get me so confused
Your pushin me your
Pullin me
Whys he saying all these
Things
About you

I just can't take it baby
Look what you've done to
Me
You know you drive me
Crazy
Look what you've done to
Me

Keep pushin', pullin'
Baby
Look what you've done to
Me
If you don't want me baby
Can't take all this, he
Said she said

I just can't take it baby
Look what you've done to
Me
You know you drive me
Crazy
Look what you've done to
Me
Keep pushin', pullin'
Baby
Look what you've done to
Me
If you don't want me baby
Can't take all this, he
Said she said
