Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

You know that I don't back
You doin' what you want without you
Letting me know that you do
So I can do it too

We've been so together
And if there were ever
Reason to change it
I'm sure we could arrange it, baby

Something's wrong if you really think that
You're the one to get away with it
I know what you're thinkin'
It's startin to sink in, why?

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything gotta be a love thing
Why can't we take each other and just hang
Is it where you really wanna go
No, I really don't think so

I'm not one to go on your preconceptions
Of direct behavior
It's really not my flavor, baby

Something's wrong if you really think that
You're the one to get away with it
I know what you're thinkin'
It's starting to sink in now

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go

No, I really don't think so

Why does everything gotta be a love thing
Why can't we take each other and just hang
Is it where you really wanna go
No, I really don't think so

I don't need a ring on my finger
I kinda like bein' single
Commitment don't fit me
It fit me one time and I still don't know

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything gotta be a love thing
Why can't we take each other and just hang
Is it where you really wanna go
No, I really don't think so

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything gotta be a love thing
Why can't we take each other and just hang
Is it where you really wanna go
No, I really don't think so

What
(Da da da)
Whoa
(Da da da)
I really don't think so

Why does everything have to be a love thing
Think of all the sorrows that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything gotta be a love thing
Why can't we take each other and just hang
Is it where you really wanna go

No, I really don't think so
