Dadadadadada Dadadadadada  
Oh yeah  
Dadadadadada Dadadadadada

How bout' a cup of coffee?  
Me and you, we can meet  
at the cafe  
Parler while sippin'  
cappuccino's  
If that ain't you we can  
go hit a movie  
Here I am all jittery and  
nervous  
Got me feelin' that I'm  
really not good at this.  
In your mind I know your  
thinkin' what I'm up to  
All I wanna do is try to  
get to know you..

Ooo yeah yeah

I can be the one (You  
know the one you don't  
know your lookin' for)  
We can be the spark (To  
Start a fire that the  
world's  
been waitin' for)

The greatest love affairs  
started with hello  
The greatest love songs  
started with a note  
The Mona Lisa  
started with a stroke  
Maybe me and you could be  
one of those  
The greatest ideas  
started with a thought  
If I think hard enough I  
can win your heart

Cuz the greatest love  
story there was ever told  
Could be me and you (You  
just never know)

I've been doin' all the  
talkin'  
Whats up with you, can  
you tell me what your  
thinkin'?  
Am I off base? Slow down?  
Stop walking  
Take a breath do you come  
here often?  
Sweet you, and tommorow  
is the weekend (I know)  
Do you bowl or are you up  
for rollerblading? (Uh-  
huh)  
Take my number, hit me up  
on the cell phone, maybe  
later we can finish  
converstatin'

Ooohhhh

I can be the one (You  
know the one you don't  
know your lookin' for)  
We can be the spark (To  
Start a fire that the  
world's  
been waitin' for)

The greatest love affairs  
started with hello  
The greatest love songs

started with a note  
The Mona Lisa  
started with a stroke  
Maybe me and you could be  
one of those  
The greatest ideas  
started with a thought  
If I think hard enough I  
can win your heart  
Cuz the greatest love  
story there was ever told  
Could be me and you (You  
just never know)

The Strangest things have  
happened and I don't even  
know your name  
But I'm feelin' this  
connection, tell me do  
you feel the same?  
It could be bigger then  
both of us, But first it  
has to start  
Someday people gonna look  
back at us as a work of  
art

Dadada (Uh Uh Uh Yeah  
Yeah)  
Dadada  
(What you say?)

I can be the one (You  
know the one you don't  
know your lookin' for)  
The greatest love affairs  
started with hello  
The greatest love songs  
started with a note  
And the Mona Lisa  
started with a stroke  
Maybe me and you could be  
one of those  
The greatest ideas  
started with a thought  
If I think hard enough I  
can win your heart  
Cuz the greatest love  
story there was ever told  
Could be me and you (You  
just never know)

*[Dadada in background]*

The greatest love affairs  
started with hello  
The greatest love songs  
started with a note  
The Mona Lisa  
started with a stroke  
Maybe me and you could be  
one of those  
The greatest ideas  
started with a thought

If I think hard enough I  
can win your heart  
Cuz the greatest love  
story there was ever told  
Could be me and you (You  
just never know)

Dadadada Dadada Dadadada  
(You just never know)  
Dadada

Dadadada Dadada Dadadada
