I'm waiting for you to come to me
Even though I know I'm wrong
You're waiting for me to come to you
Even though you know you're wrong

And it's not about me
And it's not about you
It is not that we afraid
Cause we know the truth
Truth is all we need (truth is you and me)
Makes us happy that we're lazy

Cause we're lazy
Yeah we're lazy
And it doesn't mean we're wrong
Cause we're lazy
We're just lazy
That's the thing we share and love
Cause we're lazy
Yeah we're lazy
That is that and that is all
