Someday I will say
When I'm on my marble end
I conquered my dreams
After all of my regimes

I don't wanna march
I just wanna dance, through life
It's a party

We can die anyday
So give me more hairspray
Hairspray-ay-ay
Fix my hair like a coupe de freak
Oh, c'est fantastique!
Do my hair like I'm the king of Rome
Oh babe, kiss my throne!

I know what I'm looking for
No I'm not a boy next door
I'm right here and free
And no I'm no honey bee
I'm on my own
And I wanna die in the zone

So let's do this right
And live our dreams tonight hu oh-oh
Get your boots on
And sing me your favourite song hu oh-oh

We can die anyday
So give me more hairspray
Hairspray-ay-ay
Fix my hair like a coupe de freak
Oh, c'est fantastique!
Do my hair like I'm the king of Rome
Oh babe, kiss my throne!

Just a flash and the fire is out
I'll never have enough
Cause this is good stuff, good stuff

We can die anyday
So give me more hairspray
We can die anyday
So give me more hairspray
