Everyone can relate to this  
Everyone come straight to this  
Everyone who lives in fear  
Everyone don't she'd a tear

We are the children of the riot we will not be silenced

I've got my gun. I've got my knife  
I've got your number  
You're out of time

You're out of time

You're out of

We are the children of the riot we will not be silenced

I won't stand alone there's a war around me and I feel  
at home  
I won't be afraid of the violent choices that I've made  
In my veins holds nothing but concrete

Distrust everyone my voice is my gun
