Here comes this worthless man
Eyes on fire and he's got a plan
Here he is standing tall
Here he is to trick you all

He's got pins and needles pounding through my back
Pounding through my back
I've got this hate filled mindset
He's always coming back. He's always coming back

I don't give a fuck if you live or if you die

Here comes this worthless man, eyes on fire and he's
got plan
Here he is, here he is to trick you all

He's always coming back. He's always coming back

I don't give a fuck
Live or die
