Crazy love

If I tell you then will you explain  
If I tell you then will you listen  
To a bitter taste

If I tell you then will you pretend  
I still try to forget  
If I die without saying I exist

Chorus:  
I cannot hide so I try to rewind this  
Crazy love of mine  
I fight in the spotlight  
And it's bright..do I hide it  
Way down in this cold night

Well I know I'd be playing  
The subtleties have gone away  
If I could make you understand then  
Apologies wouldn't change things

Chorus:  
I cannot hide so I try to rewind this  
Crazy love of mine  
I fight in the spotlight  
And it's bright..do I hide it  
Way down in this cold night

Out in the trees and what's left  
Of this ending me  
I've been awake  
And I've been in your dreams  
When I can feel that your mine  
But you're drifting away  
In a town in the lake of your shining face
