Fascination

We wait all day for fascination x2
Can you imagine
Can you make you're bed baby
Then you wait all day for fascination

Can you imagine can you make you're bed baby
And then you wait all day for fascination

Aah ah

We wait all day for fascination x2
You can call on me as if I was your one
Can you imagine, can you make your bed baby
Then you wait all day for fascination

Aah ah

It's not your fault
Can you make it
Can you fake it all
It's not your fault
Can you break it
Can you make it all

Aaah ah
