It's in the way he says he loves  
It's never enough  
I wish that he could feel inside  
What its like  
I lost my way I couldn't face  
til one day  
My world came crashing down  
I had to break

No no no no no  
You took a bite  
you spit me out  
a million times before  
I've heard them shout  
you couldn't change  
It's a shame  
I'm a nobody  
I'm a nobody

tears away wears away  
my heart  
from a baby to the little girl  
this girl I know  
she had the perfect life  
was the perfect wife  
had the perfect life  
was the perfect

but its in the way he says he loves  
it's never enough

no no no no no  
you took a bite  
you spit me out  
a million times before  
I've heard them shout  
you couldn't change  
it's a shame  
I'm a nobody  
I'm a nobody

He'd surprise me when he'd come around

no no no no no  
you took a bite  
you spit me out  
a million times before  
I've heard them shout  
you couldn't change  
it's a shame  
I'm a nobody  
I'm A nobody..

no no no no no no
