If You Be My Star, I'll Be Your Sky
You Can Hide Underneath Me
And Come Out At Night
When I Turn Jet Black
And You Show Off Your Light
I'll Live To Let You Shine
I'll Live To Let You Shine

But You Can Sky Rocket Away From Me
And Never Come Back If You Find Another Galaxy
Far From Here, With More Room To Fly
Just Leave Me Your Star Dust To Remember You By.

If You'll Be My Boat, I'll Be Your Sea
The Depth Of Pure Blue Just To Prove Curiosity
Eving And Flowing And Pushed By A Breeze
I'll Live To Let You Free
I'll Live To Let You Free

But You Can Set Sail To The West If You Want To
And Past The Horizon Till Can't Even See You
To Far From Here, Where The Beaches Are Wide
Just Leave Me Awake To Remember You By
