I've started to pick myself up cause I've fallen to far to admit,  
It's my fault for considering it,  
And these lies go too far to cover them up so I fall  
It's my fault and I have to admit, you were wrong  
It's about time I stood up, give myself some time to forgive,  
Listen up and start writing it in,  
Cause these lines are screwed up, I wish I could ignore all the things,  
It's your fault for considering it

And you've finally started seeing yourself through my eyes,  
Found time and I have to admit you were right,  
Yes you were and I'm proud to announce that in time you'll feel fine, you'll feel fine

Cause you're taking control,  
Making sure that youve got things figured out  
I'm finally taking control,  
Cause I've got things in better perspective now,  
And I want you to know, that we're expecting the best,  
We're expecting amazing things from you,  
Break out of this home broken town and I've got something for you

Leave me to my desperation,  
Have some things that might just hold me back from it,  
I've got time and an ear to listen,  
And a feeling that you're really needing this,  
Can't help it and I'm really sorry,  
I'm hurting more than I have ever hurt before,  
Crossed lines and a calm surrender,  
Lots of compassion but youve got no where to go.

And I've finally started seeing myself through your eyes,  
Found time and you have to admit I was right,  
Yes you were and I'm proud to announce that with time I'll feel fine, I'll feel fine

Cause you're taking control,  
Making sure that you've got things figured out  
I'm finally taking control,  
Cause I've got things in better perspective now,  
And I want you to know, that we're expecting the best,  
We're expecting amazing things from you,  
Break out of this home broken town and I've got  
something for you

Saved me from myself today, heard from someone  
you needed to be saved  
Saved me from myself today, heard from someone  
you needed to be saved  
Saved me from myself today, heard from someone  
you needed to be saved  
Saved me from myself today, Heard from someone  
you needed to be saved
