Leave it here,  
I know that you've been running, dear,  
I've been thinking, we'd stay here,  
Don't you worry about a thing,  
'Cause I'll be here, yeah, I'll be here,  
And I'll be waiting for you

So sorry about all of the times,  
I had to, needed to,  
Believe it and see it through my eyes,  
But don't you worry about it,  
'Cause I am here for you,  
As long as you need me to,  
'Cause I am here for you,  
As long as you need me to

It came to me,  
The answer, one day,  
Suddenly it hit me,  
Now I'm trying hard,  
To fix all of the things,  
I screwed up while I was gone,  
The search is over, you've moved on

So sorry about all of the times,  
I had to, needed to,  
Believe in it, see it through my eyes,  
But don't you worry about it,  
'Cause I am here for you,  
As long as you need me to,  
'Cause I am here for you,  
As long as you need me to

It's always the same,  
Trying hard to explain,  
I feel that things have changed for the better,  
But it's all such a shame,  
'Cause this isn't a game,  
I'm very glad that you came,  
I'll always be here for you

I'm so sorry about all of the times,

I had to, needed to,  
Believe in it, see it through my eyes,  
But don't you worry about it,  
'Cause I am here for you,  
As long as you need me to,  
'Cause I am here for you,  
As long as you need me to
