I don't know,  
If I'm strong enough to turn away,  
If I'm strong enough to fight you off,  
If I'm man enough to turn you down,  
I'm having trouble with the way,  
You took my soul and turned it inside out,  
Took my love, but you can have it now,  
Cause I'm ready to give in

I think about you all the time,  
Lay around and I just wonder why,  
You live so far and why you can't be mine,  
But I'm ready to give in...

By the way you say I miss you,  
I know that you can't understand,  
Appreciate what I give to you,  
I just hope you can comprehend

Because believe it or not  
(We are, we are)  
Made for one another  
If you only saw the truth,  
We are, we are, we are, It's true...

I'm so sure,  
By the time you hear this,  
I'll have changed  
By the time you hear this,  
I'll be gone,  
By the way I miss you more and more,

It's hard enough for me to say,  
That you're the only my heart can trust,  
You're the only one to cause this lust,  
But I'm not gonna give up...

I know you try and play it cool,  
But there are some things  
You just can't hide  
In other time  
Your heart will be your guide,

I said I'm not gonna give up...

By the way you say I miss you,  
I know that you can't understand,  
Appreciate what I give to you,  
I just hope you can comprehend

Because believe it or not  
(We are, we are)  
Made for one another  
If you only saw the truth,  
We are, we are, we are, It's true...

By the way you say I miss you,  
I know that you can't understand,  
Appreciate what I give to you,  
I just hope you can comprehend(x2)

Because believe it or not  
(We are, we are)  
Made for one another  
If you only saw the truth,  
We are, we are, we are, Is true...
