I'LL ALWAYS LOVE YOU (Yo Siempre Te Amare)
I'll always love you, even though you shattered my heart
Remember how we promised to love, never to part
I'd give the melody that's all to me for the thrill of having you near
Now I must tell you that I miss you much, My Dear

I'll always treasure you and the lovely moments we shared
My life was wonderful, My Dear, because you cared
You said I'd won your heart, we'd never part,
our love would always be here
I'll always love you, and for you my heart still cares.
