LOVE JONES NEED

You know that I want you, from morning 'til evening
time

The joy in my life is now complete
'Cause you've agreed to be all mine
Whenever I kiss you, I feel Life start anew
The passion of love is such a thrill
Always the same when I'm with you

So hold me, kiss me, give me the love when I need
To have you squeeze me tight, love me tenderly
And satisfy my Love Jones Need.

You know that I love you, I say it to you everyday
You know that I'll always treat you right
My love is good to you that way
Each time that I hold you, love satisfies my every need
Your charm fills my heart with such delight
Life with you is great indeed!
