NO REGRETS

I dreamt about you, while my heart gently wept
I thought about you and our love, you know I really
should forget
All the misery and the pain, the heartache that
remained
When you decided to declare our romance through
I wish to say that I have no regret, no anger in my heart
I wish to say that I have no regret, it's well that we're
apart.

Oh, Girl, how I miss you, and the wonder of your ways
The nights, they do drag on, I won't say nothing 'bout
the days
When we were two hearts in love, alas, I'm guilty of
Forgetting once or twice what gave our romance spice
I wish to say that I have no regret, our Love once was
new
I wish to say that I have no regret, it's well that Love is
through
... (but) It was much better loving you.
