SYMPHONY OF LOVE

A melody started to come to me
When I thought of you, and, oh! Love's mystery
Now that you're near
I hear a symphony of love

My heart is yours, so too my inspiration
What e'er the key, what e'er the orchestration
When you come near
I hear a symphony of love

Chorus:

Oh! You inspire me to greater things
No matter what the time of day
Our Love begins at dawn and never ends
It's grand that Love could be this way

My heart is yours, so too my inspiration
What e'er the key, what e'er the orchestration
Now that you're near, I hear a symphony, and
I must declare, you're everything to me
Oh! When you're near, I hear a Symphony of Love.
