THE BEAUTIFUL MAGIC OF YOU

(La Hermosa Magia De Ti)

From the depth of a beautiful dream
I awaken, feeling deeper in love with you
And the first light that enters my eyes
Shows the sparkle of a wonderful one like you
My heart beats like a bright golden drum
Keeping tempo for the songs of the love we share
In amazement I must ask of you
How it is, that you do the things you do

Chorus:

How do you hold me like that
How can you squeeze me like that
How can you love me like that
How do you keep my beating heart intact, and
How can you thrill me with ease
Keep me tall if I fall on my knees
I'm pleased with the things that you do, and
The best gift of all is The Beautiful Magic of You

Every moment I'm wrapped in your arms
Makes the magic of you my Life's ultimate charm
I just melt with the taste of your kiss
I wish everybody had a deep sweet love like this
All the passion of great love affairs
Dissolve completely, when placed beside the Love we share
I'm amazed by the splendor of You
I've now got to ask you, how you do the things you do

Chorus:

How do you hold me just right
How do you squeeze me so tight
How do you love me just right
Giving me Love to my heart's delight, and
How can you thrill me with ease
Keep me tall if I fall on my knees
It's great, all the things that you do, and
The best gift of all is the Beautiful Magic of You.
