The last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow.  
Lost in a river last saturday night  
Far away on the other side.  
He was caught in the middle of a desperate fight  
And she couldnt find how to push through

The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow  
All she saw was a silhouette of a gun  
Far away on the other side.  
He was shot six times by a man on the run  
And she couldnt find how to push through

I stay  
I pray  
I see you in heaven far away

I stay  
I pray  
I see you in heaven far away

Four am in the morning  
Carried away by a moonlight shadow  
I watched your vision forming  
Carried away by a moonlight shadow  
Star was light in a silvery night  
Far away on the other side  
Will you come to talk to me this night  
But she couldnt find how to push through

I stay  
I pray  
I see you in heaven far away

I stay  
I pray

I see you in heaven far away

Far away on the other side.

Caught in the middle of a hundred and five  
The night was heavy but the air was alive  
She couldn't find how to push through

Carried away by a moonlight shadow  
Carried away by a moonlight shadow  
Far away on the other side.
