"Give Me Back My Heart"

It's like a brittle wood, can't be the mainstay
So hard to know, reason why you go away
Give me back my heart
Scream out loud, pretend that you didn't hear
I make it bold, but you still in your way
Give me back my heart
Give me back my heart

Reff:

You said you won't live me alone
But why you hit me with the stone
Get out of my face
Get out of my face

I've done it all, all the things that you want
You broke the rules, when I need you here to stay
Give me back my heart
Give me back my heart
(Back to reff)

Bridge:

I can stand to fight the memories inside my brain
But I can't make a step without my heart inside me
Now I know it's hard to get it back
It's too late, too late, too late
(Back to reff)
