"Born To Destroy"

We don't care about your nazi shit
We don't care about your politics
Never catch me 9 to 5
Don't give a shit
Just drink and drive

Born to destroy
Oi! Oi! Oi!

Punk is the life I choose
I will not be abused
I will fucking refuse
I'm a punk and that's all I'll be

Born to destroy
Oi! Oi! Oi!

We don't care about your nazi shit
We don't care about your politics
Never catch me 9 to 5
Don't give a shit
Just drink and drive
