Sick of it words are shit
You're always criticizing
But look at you
Everything you do
Just makes me want to spew
So get off your high horse

Woahhh
You're two faced and a waste of air
Woahhh
If you were to die no one would care

No one fucking cares

Sniff your perk 30's
Wear your collared shirt
Go back to Jersey shore
You stupid fucking jerk
Your a stuck up a fuck up
Annoying little prick
So get off your high horse

Woahhhh
You're two faced and a waste of air
Woahhhh
If you were to die no one would care

No one fucking cares

Sit around getting drunk
Getting nothing done
Your nothing more
Than a stupid lazy bum
You mooch and mooch
To get your fix
And everyone is done with it
So get off your high horse

Woahhh
You're two faced and a waste of air
Woahhh

If you were to die no one would care

No one fucking cares!
