"Devil's Wheel"

Death will never be a thing to me - a thing to me
The final journey never will be done
A thousand lights that keep on blinding me - blinding
me
Dramatic seasons coming up again

I felt this moment million times before
The seven seals are broken once forever
The force of the Ancient has overcome the seal

Â¿Cos life is just a devilÂ¿s wheel
Is just a devilÂ¿s wheel

IÂ¿m the last seal that is to be claimed
A glimpse of destruction and of total hate
And I escape - my destiny is clear
IÂ¿m the last of my extinguished kind

ItÂ¿s just a devilÂ¿s wheel...
ItÂ¿s just an angelÂ¿s dream...
