Everywhere is freaks and hairies
Dykes and fairies
Tell me where is sanity?

Tax the rich
Feed the poor
Till there are no rich no more?

I'd love to change the world
But I don't know what to do
So I'll leave it up to you

Population keeps on breeding
Nation bleeding
Still more feeding, economy

Life is funny, skies are sunny
Bees make honey
Who needs money? Monopoly

I'd love to change the world
But I don't know what to do
So I'll leave it up to you

World pollution
There's no solution
Institution, electrocution

Just black and white
Rich or poor
Them and us
Stop the war

I'd love to change the world
But I don't know what to do
So I'll leave it up to you
Leave it up to you

I'd love to change the world
But I don't know what to do
So I'll leave it up to you
Yeah I leave it up to you
