"Bachelor Pad"

[Chorus - Bow Wow]

Now if I hit your girl thats too bad
You so lame and she like my swag
Make her do flips like a acrobat
Ones I get her back to my bachelor pad
Kick back chill get ya party on
We gon pop it off like its Mardi Gras
We gon have it poppin baby all night long
You should listen to my boy Omarion

[Omarion]

Girl

Welcome to the thrill of ya life you see this bachelor
pad that have ya heart racin
I got rooms that change ya mood got a bed that I can
take you to the highest altitude my walls are OCD high
revolutionizing
And I got the O inside my own crown in the face of my
A/C

[Bow Wow]

And you cant get mad yo chick chose me
Yea she want to roll with a winner ima winner so I guess
yo girl exits with B (Bow Wizzle)
Back to the pad when we gon do it all night yes baby
girl just you and me
And we can do the freaky things you like and I swear to
GOD your boyfriend aint me (uhn uhn haha)
And she said she like when I work the middle yup when
I hurt the middle
She dont want to be with you because ya thing too little
(haha)
Charge that one to the game
Aint nothin little over here ma not even the name (uhn
uhn)
Hit the floor all up in the crib
Dont worry the mister maids will fix it
Take the girls to the crib they dont know how to act
When I get them back to my bachelor pad

[Chorus - Omarion]

Now if I take your girl thats too bad
Live so far, she like my swag
Make her do tricks like a circus act
Once I get her back to my bachelor pad

[Bow Wow]

Now if I hit your girl thats too bad
You so lame and she like my swag
Make her do flips like a acrobat
Once I get her back to my bachelor pad

[Omarion]

She told me I was better then that and this is the new
world she never bend out and stretch
Neva got wet in the Jacuzzi heart shaped neva seen her
pride relax
Sneak in the bac neva seen nothing like this before
Platinum forces with the royal doors
Stacks so clean you can eat off the floor

[Bow Wow]

Let me take you on a private tour
I dont even got door knobs on my door
They just move when they hear my voice
Yup thats Egyptian marbles on that floor
So my crib got chinchilla hips I swear come take a feel
yo chill in there
Well the liquor might spill in there I got a movie room
we can make a film in there (haha)
You know the pad got a elevator in it

So ma just come through and get elevated in up in here
For quite a minute I even aint seen the kitchen
I just hit the intercom and tell the waiter get it (get it)
I got 20 minute staff
That can get it right when I need a mid-night snack
Tonight ma you gon be my mid-night snack
Turn my room to a coupe watch the roof re track

[Chorus - Omarion]

Now if I take your girl thats too bad
Live so far, she like my swag
Make her do tricks like a circus act
Once I get her back to my bachelor pad

[Bow Wow]

Now if I hit your girl thats too bad
You so lame and she like my swag
Make her do flips like a acrobat
Once I get her back to my bachelor pad

[Bow Wow]

I said the flo touch sensitive ma really tho
We walk they light up like Billy Jean video

[Omarion]

And my bar got Neon lights
So when I lick her ima lick her dance for hundreds on
the dance flo

[Bow Wow]

I got a dancin pole up on my dance flo

[Omarion]

So it aint no tellin where my hands go

[Bow Wow]

So if my hands go low
Then let ya pants go

[Omarion]

Seven star see I'm on the 12th flow

[Bow Wow]

Its the antidote
I got a indoor pool ma come and get ya panties soaked
(YUP!)
Hop in and splash once I get ya back to my bachelor
pad

[Chorus - Omarion]

Now if I take your girl thats too bad
Live so far, she like my swag
Make her do tricks like a circus act
Once I get her back to my bachelor pad

[Bow Wow]

Now if I hit your girl thats too bad
You so lame and she like my swag
Make her do flips like a acrobat
Once I get her back to my bachelor pad
