Reasons To Be Cheerful
Playing In My Head
The Tv's Got Me Lonely
The Cable Line Is Dead
Can You See Me When I Call You?
Can You Hear Me On The Phone?
My Sex Is Sad And Lonely
My Skin Feels All Alone
Reasons To Be Cheerful
Playing In My Head
The Tv's Got Me Lonely
The Cable Line Is Dead
Can You See Me When I Call You?
Can You Hear Me On The Phone?
My Sex Is Sad And Lonely
My Skin Feels All Alone
This Is How The World Ends
Not With A Bang - But With A Whimper
This Is How The World Ends
Not With A Bang - But With A Whimper
Just Like Any 19 Year Old
She Says She's Gonna Be
She'll Turn On For You
Watching Color Tv
Echo's Down The Hall
The Man Next Door Has A Ball
He Says He's Lonely Now
And He Seems To Be
And She's Always Making Love On The Tv
Well She's All Dressed Up In Loneliness
Seems That Sex Is Success
She Says She's Gonna Be Like Me
But She's Always Making Love On The Tv
Well She's All Dressed Up In Loneliness
Making Love On The Tv
This Is How The World Ends
Not With A Bang - But With A Whimper
This Is How The World Ends Way
