My life has suffered erosion  
Revolving ultra slow-motion  
I dunno if I can see through  
But I know that I don't want too

So don't you dare challenge me  
I will simply silence thee  
I'll wrap you under my veil  
Oh, you will not make me fail  
I will triumph over you  
I will come out of the blue  
And I will?  
Suffer the consequences!

My life has suffered erosion  
Revolving ultra slow-motion  
I dunno if I can be true  
But I know that I don't want too

So won't you care to leave me  
I'll straight away quieten thee  
I'll snap you from head to tail  
Oh, you will not tear my sails  
I will triumph over you  
I will come out of the blue  
And you will?  
Suffer the consequences!

My life has suffered?  
Revolving ultra?  
Revolving ultra?  
Revolving ultra?

You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my consequences.  
You?ll suffer my?
