I'm so lonely on my way  
waiting for a better day  
only one thing left behind  
a world of lust and crime

there's no place for me to hide  
I don't know what's wrong or right  
pain and sorry in my mind  
a world of lust and crime

see the wise man in the grave yard  
screaming play the different story  
lonely people in his soul heart  
know the answer just for everything

love turns a friendly card  
with a different story  
it'll open your heart forever  
oh yeah, love has an endless game  
you don't have to worry  
cause it's easy to play

there's no chance for me and you  
making all our dreams come true  
trust the love and you won't find  
a world of lust and crime

see the wise man in the grave yard  
screaming play the different story  
lonely people in his soul heart  
know the answer just for everything

love turns a friendly card  
with a different story  
it'll open your heart forever  
oh yeah, love has an endless game  
you don't have to worry  
cause it's easy to play

see the wise man in the grave yard  
screaming play the different story

lonely people in his soul heart  
know the night of perfect glory

see the wise man in the grave yard  
screaming play the different story  
lonely people in his soul heart  
know the night of perfect glory
