Verse 1:

I been watching you
Ohh
What a view
You just seem to say
All the right things
Can't control myself
I'm falling too soon
If you catch me weak
I'll be of no use
Cause I will give you all my loving
You won't even have to say nothing
Only if you stayed right here
You won't have to go nowhere

Hook:

I been thinking bout you
Hey
And everything that you do
Yeah
Yes, I been thinking about you
Hey
And everything that you do
Yeah

Verse 2:

I can't sleep
Ohh
I want you next to me
I can see you smile
My oh my
I can't breathe
Ohhh
I would give you all my loving
You won't even have to say nothing
Aye Yeah yeah
Only if you stayed right here
You won't have to go nowhere yeah yeah

Hook:

You got me thinking bout you

Hey
And everything that you do
Yeah
Yes, I been thinking about you
Hey
And everything that you do
Yeah
