[J.Reu] Yeah,  
[Morrisa Jeanine] Yeah Yeah  
[J.Reu] You already know  
[Morrisa Jeanine] Um Hm  
[J.Reu] You Already know, Turn My head phones up uh.

Verse:

I'm trying to find my way to your heart  
You the star I'm playing my part  
I'm your number one fan  
Got the poster  
I'm hoping that you make that mark, yeah  
Like my name is usher  
My only confession is I want to love ya (F\*\*K Ya)  
Let me beat it up  
Eat it up  
Bobby V, slow it down  
Like it when I beat it up  
Nasty  
Do whatever you aint got to ask me  
We can do it in the back seat  
No meter running, no taxi  
Call me Papi, I mean Poppi  
Give it to me sloppy  
No competition  
Cause I want you to top me  
No Tu-pay, cause I ball now it's in your court  
I'm trying get up in those jeans  
Let me cut, I won't come up short  
Get short, trying get you wet like Miami Ports  
I'm at your finish line, but I wanted you from the start,  
Reu

[Morrisa Jeanine]  
On and on we don't have to stop til  
the early morning  
Make me weak take me down, make me really really  
want it.

Verse:

I'm soaking pouring rain

I know you can't wait til it storm again Imma keep it hot,  
I won't make you wait  
Whatever you want, thats what I need  
My feet in the sand yeah, cause your all I see  
Go a little deeper  
Make me a believer  
I been cold give me a fever  
So dip it low  
Boy lick it slow  
You got my permission to do whatever you like

Hook:

Do whatever you like  
we can do it all night  
you can have my kitty cat she dont bite  
I said you can do whatever you like  
We can do it all night  
You can have my kitty cat she don't bite  
On and on we don't have to stop til  
the early morning  
Make me weak take me down, make me really really  
want it  
Make me say yeah yeah yeah

[J.Reu]

Yeah Yeah Yeah

[Morrisa Jeanine]

Yeah Yeah Yeah make me really really want it

Bridge:

[J.Reu]

I wanna lay you down down down down down  
I love it when you come around round round round  
And I usually don't care, but girl you take me there  
Feenin for your body what you got I can't get anywhere

[Morrisa Jeanine]

I wanna lay you down down down down down  
Love it when you come around round round round  
And I usually don't care, but boy you take me there  
Feenin for your body what you got I can't get anywhere

Hook:

Do whatever you like  
we can do it all night  
you can have my kitty cat she dont bite  
I said you can do whatever you like  
We can do it all night  
You can have my kitty cat she don't bite  
On and on we don't have to stop til

the early morning  
Make me weak take me down, make me really really  
want it
