A veil has been lower - beyond is all mistery
My mind arrive until there - I can search reflected

Mortuary Drape, symbol of death
Mortuary Drape, dividing veil

Final symbol of material existence
Invisible world - ocean wealth
Don't ignore it - don't joke about it
Because it's a world there and await us

Mortuary Drape, symbol of death
Mortuary Drape, dividing veil

Distorted images, spectres of death behind the veil,
Great crowd moving, secret bailee of our future, their
Action is steady, recognized limits unbroken evolution
Quest in the veil quest in the veil

A veil has been lower - beyond is all mistery
My mind arrive until there - I can search reflected
Images

Mortuary Drape, great veil beyond
Mortuary Drape, obituary symbol
