Japan Korea Japan...
Japan Korea Japan...
Set the game on fire...

I can see my baby on the photo
My life is like a motion
Because I'm gonna fly fly fly tonight
You'll never be a liar
You take me to the fire
I don't want to miss you

I want to come back
I'm gonna delight
Believe in the night of my desire
I'm gonna be free
I want to be right
I want you beside, alright, boom boom tonight

Japan Korea Japan
Korea baby tonight
I'm ready, I'm crazy
You are the number one
Let's go, my baby together
Set the game on fire

Japan Korea Japan
Korea baby tonight
I'm ready, I'm crazy
You are the number one
Let's go, my baby together
Set the game on fire

Baby, she's my baby on the photo
Come on, you are in motion
And then you kiss me, ahy ahy ahy tonight
Because I am on fire
You take me take me higher
I want to believe you

I want to come back
I'm gonna delight

Believe in the night of my desire
I'm gonna be free
I want to be right
I want you beside, alright, boom boom tonight

Japan Korea Japan
Korea baby tonight
I'm ready, I'm crazy
You are the number one
Let's go, my baby together
Set the game on fire
