I keep on livin'  
To keep from cryin'  
I keep on dreamin'  
To keep from dyin'  
I keep on trying  
I ain't gonna stop

Get right down to the bottom of the barrel  
And float back on top

We all know someone  
Who's always hurtin'  
The sun is shinin'  
They draw the curtain  
One thing for certain  
The pain ain't gonna stop

You get right down to the bottom of the barrel  
And you float back on top

'Cause I know the grass  
Is always greener  
In someone else's yard  
And the world  
Is so much meaner  
When your heart is hard

I go out walkin' in any season  
It could be rainin'  
It could be freezin'  
I don't need no reason  
It's just so pleasin'  
And I can't stop

You get right down to the bottom of the barrel  
And you float back on top

You get right down to the bottom of the barrel  
And you float back on top  
Oh yeah, oh yeah, come on
