Without you
I was just a room without a view
A stranger in this town without a clue

Chorus

Baby my whole world is brand new
Brand new
Brand new
Brand

Now with you
Every day is like Sunday afternoon
And everytime you leave just too soon

Chorus

Baby my whole world is brand new
Brand new
Brand

No, no, no, no, no

Now you've gone
I'm just a Winter's night without a dawn
And every day is just harder to move on

There's nothing I'd rather do
Than to be with you
Maybe we can start again
Brand new
