Oh Jesus can you help me now, (Jesus can help me now)
Oh Jesus can you help me now, (Jesus can help me now)
Oh Jesus can you help me now, (uhhh)
No I never felt so alone, (uhhh).

I'm a little wild and freak, ohh wild and freak,
Ohhh so wild and freak,
I was a little wild and freak
But my heart ..through.
Well another word has jaded ..
Corrupted and defeated me
Oh no I never felt too hated..
But I've never felt so alone.

[Chorus:]

So Jesus can you help me now, (Jesus can help me now)

Oh Jesus can you help me now, (Jesus can help me now)
Oh Jesus can you help me now, (uhhh)
No I never felt so alone, (uhhh).
So alone.

[Chorus:]

So alone, so alone,
So alone, so alone.
Now Jesus can you help me now, (Jesus can help me
now)
Oh Jesus can you help me now, (Jesus can help me now)
Oh Jesus can you help me now, (uhhh)
No I never felt so alone, (uhhh).
