Amos Lee - Makin Love lyrics

Title: Makin Love

Shake off that towel baby
Come over here
I'm gonna leave you smiling woman
Leave you smiling from ear to ear, yeah

Chorus

We're gonna shake from the middle of the clock on the
wall
Not worrying about a thing at all
Except making love
We're gonna start in the kitchen to the rug to the chair
Not having a single care
Except making love

Woah, woah, woah, woah, woah, woah
Ooh, ooh, ooh, ooh, ooh, ooh

It's been a hard week, mama
But now you're free, yeah
I'm gonna leave you leaving me in a world of ecstasy,
yeah

Chorus

We're gonna shake from the middle of the clock on the
wall
Not worrying about a thing at all
Except making love
We're gonna start in the kitchen to the rug to the chair
Not having a single care
Except making love

Bridge

My lonely day
Seems so far away, yeah

I love you more than words can...say
This is how I prove my love

Chorus

We're gonna shake from the middle of the clock on the
wall
Not worrying about a thing at all
Except making love
(This is how I share my love)
We're gonna start in the kitchen to the rug to the chair
Not having a single care
Except making love
(This is how I prove my love)

Mmmm
