Been some time  
Since the first night I saw you  
Had some good  
Had some bad time since then  
And through all of these moments that I've gotten to  
know you  
I realized that I want to be a little bit more than your  
friend

And I wanna know  
If you want to get together  
Stay for a while  
We can talk about it all  
I wanna know  
Cuz this feeling won't let me go

Stood around  
While you dated that old fool Marcus  
Whole time knew he wasn't no damn good for you, well.  
Guess it's true sometimes we can all be a little  
heartless  
But tonight, all I wanna do is make sweet love to you.

And I wanna know  
If you want to get together  
Stay for a while

We can talk about it all  
I wanna know  
Cuz this feeling won't let me go

Well, all those wasted nights you spend  
Well, just crying all those tears  
Well, I want you to know girl  
I'm around  
Yeah I'm here alright  
Alright

I wanna know  
If you want to get together  
Stay for a while  
We can talk about it all

I wanna know  
'Cause this feeling won't let me go

I wanna know (I wanna know, I wanna know, I wanna know)

I wanna know

I wanna know (I wanna know, I wanna know, I wanna know)

I wanna know, baby

All of these feelings

No it won't

No it won't let me go

No it won't baby

It won't let me go
