I'm fucked up and you're fucked up,  
Everyone I see is a little fucked up,  
He's fucked up and she's fucked up,  
Everyone I meet is a little fucked up,  
Mom's fucked up and Dad's fucked up,  
Even my dog is a little fucked up,  
I'm fucked up and you're fucked up,  
Everything I do is all fucked up,  
See my mother in the kitchen taking prozac,  
And she don't give a damn,  
See my brother in the bedroom watching porno,  
With his dick in his hand,  
And my sister's in the bathroom she's bulemic,  
With her fingers down her throat,  
Is there really any wonder I'm a junkie,  
And I'm living on dope,  
Has anybody got any dope?  
I'm fucked up and you're fucked up,  
Everyone I see is a little fucked up,  
He's fucked up and she's fucked up,  
Everyone I meet is a little fucked up,  
Mom's fucked up and Dad's fucked up,  
Even my dog is a little fucked up,  
I'm fucked up and you're fucked up,  
Everything I do is all fucked up,  
Looking pretty for the camera only thirteen,  
And she ain't have a care,  
You can see her in the movies doing hardcore,  
With her ass in the air,  
Little Johnnie's in the backseat of a limo,  
And he's growing up fast,  
You can find him every weekend bending over,  
With a dick in his ass,  
Baby, you can kiss my ass.  
I'm fucked up and you're fucked up,  
Everyone I see is a little fucked up,  
He's fucked up and she's fucked up,  
Everyone I meet is a little fucked up,  
Mom's fucked up and Dad's fucked up,  
Even my dog is a little fucked up,  
I'm fucked up and you're fucked up,  
Everything I do is all fucked up,

See my mother in the kitchen taking prozac,  
And she don't give a damn,  
See my brother in the bedroom watching porno,
