When I'm looking for salvation,  
And when nothing else will do,  
You're the one thing that I reach for,  
Cuz you always pull me through (pull me through cuz),  
You make me happy when I'm feeling down,  
You make me dizzy by spinning me round,  
And around,  
And around,  
And around,  
Spinning me round,  
And around,  
And around,  
Spinning me round,  
Can you tell me if I'm dreaming,  
Cuz I don't know if you're real,  
Cuz you've come from out of no where,  
And you're changing how I feel (how I feel cuz),  
You make me happy when I'm feeling down,  
You make me dizzy by spinning me round,  
And around,  
And around,  
And around,  
Spinning me round,  
And around,  
And around,  
Spinning me round,  
Spinning me round,  
Spinning me round,  
Spinning me round,  
When I'm looking for salvation,  
And when nothing else will do,  
You're the one thing that I reach for,  
Cuz you always pull me through (pull me through cuz),  
You make me happy when I'm feeling down,  
You make me dizzy by spinning me round,  
And around,  
And around,  
And around,  
Spinning me round,  
And around,  
And around,  
Spinning me round,

And around,  
And around,  
Spinning me round,  
And around,  
And around,  
Spinning me round.
