Hang on
You gonna keep da rhythm
Da fever is concrete
Da great African wisdom - da fever
Hang on
You gonna keep on breathing
Da fever in concrete
You're drinkink from da bottle
Looking da red girl
With da boyfriend with no wings on
It's still friday
You don't have to walk away
Your skin's my jail
Looking da red girl
With da boyfriend with no wings on
Looking the dancefloor and try to keep
Your engine running
Looking da fat girl
And bet on her first time
It's still friday
You don't have to walk away
Your skins my jail
Reach out, reach for my level
Reach out, reach out, now try
Looking da red girl
With da boyfriend with no wings on
Looking the dancefloor and try to keep
Your engine running
Looking da fat girl
And bet on her first time

It's still friday
You don't have to walk away
Your skins my jail
Reach out, reach for my level
Reach out, reach out, now try
Hang on
You gonna keep da rhythm
Da fever is concrete
Da great African wisdom - da fever
Hang on
You gonna keep on breathing

Da fever in concrete
You're drinkink from da bottle
Looking da red girl
With da boyfriend with no wings on
It's still friday
You don't have to walk away
Your skin's my jail
Looking da red girl
With da boyfriend with no wings on
Looking the dancefloor and try to keep
Your engine running
Looking da fat girl
And bet on her first time
It's still friday
You don't have to walk away
Your skins my jail
Reach out, reach for my level
Reach out, reach out, now try
