Album: Give Me A Good Reason To WakeE Up (2002)

Dream an answer all day  
Its gonna keep me from pain  
Wild heat all around  
I dont look the same

Beat on wood, fly,  
Ride and dream again  
An invitation for  
I dont know the day

Feel the sun, that shine  
So feel that sun liquefying  
Hear your sough in time  
So hear the sound that survives

Dream an answer all day  
Its gonna keep me from pain  
Wild heat all around  
I dont look the same

Beat on wood, fly,  
Ride and dream again  
An invitation for  
I dont know the day

Feel the sound, that shine  
So feel that sound liquefying  
Hear your sough in time  
So hear the sound that survives
