Well, i'm walking down the street!,  
3 p.m. and have a beer  
All those people look so dead hey,hey!  
They're gonna suicide,  
And it's o.k!  
It's ok!  
I keep smoking marihuana,  
Always do what i wanna,  
And i don't feel like everyone,  
I wanna have some fun,  
Have some fun!  
Have some fun  
There is too much paranoia,  
You don't want to be an employed,  
But i'm not like everyone,  
I wanna!! have some fun!  
Have some fun!...  
And what aboutt youuu!!  
I quit my job! good for me!  
I'm getting drunk! good for me!  
I'll fuck the cops! good for me!  
And my boss, government, teenage chicks, anal sex!!  
and my  
Fuckin' mom and dad... bullshit!!  
Now i have fun!
