Shadows falling
baby

We stand alone out on the street.
Anybody you meet
Got a heartache of their own.
Make it a crime to be lonely or sad

You got a reason for living
you battle on
With the love you're livin' on -
You gotta be mine. - We take it away.
It's gotta be night and day
Just a matter of time.

And we got nothing to be guilty of

Our love will climb any mountain.
Near of far we are and we never let it end.
We are devotion.
And we got nothing to be sorry for
Our love is one in a million.
Eyes can see that we got a highway to the sky
I don't wanna hear your good-bye.

Pulses racing
darling

How grand we are.
Little by little we meet in the middle

There's danger in the dark.
Make it a crime to be out in the cold

You got a reason for livin'
you battle on
With the love you're buildin' on -
You gotta be mine. - We take it away.
It's gotta be night and day
Just a matter of time.

And we got nothing to be guilty of . . .

And we got nothing to be sorry for . . .

Don't wanna hear your good-bye -
I don't wanna hear your good-bye.

And we got nothing to be guilty of . . .

And we got nothing to be sorry for . . .
