Every single day I think of the times when you were still  
mine  
And I knew, gotta get away, get you out of my mind  
I can't catch up in time and I can't be blue  
I don't miss all the fun that we had  
You were always around me  
Where are you now  
I need you now  
If you were around it would be alright  
Livin' on my own  
I know I can't blame  
I can't be locked in my chains  
And you can't be free  
Fallen like a stone  
I can't be down on the ground  
I can't be tied up and bound  
And you can't be free  
I don't miss all the fun that we had  
You were always around me  
Where are you now  
I need you now  
If you were around it would be alright  
I don't miss all the fun that we had  
You were always around me  
Where are you now  
I need you now  
If you were around it would be alright  
Where are you now  
I need you now  
If you were around it would be alright  
Where are you now  
I need you now  
If you were around it would be alright
