So trust me, baby  
When I say maybe we could talk  
about what we both believe

? are broke, we talk for hours about what we've learned  
about what we've lost  
and I know, that this will break your heart  
I'll go ahead and shout it  
You were in love but now you're hurting  
save my strength, a vacant burning (save my strength,  
take my pain)

So trust me, baby  
When I say maybe we could talk  
about what we both..  
but you make it so hard  
to realize what we had is gone  
to realize what we had is gone  
saying things that you told me  
it tears me, it tears me  
from the edges I will scream  
Can you hear me? Are you listening?

You were in love but now you're hurting  
save my strength, a vacant burning (save my strength,  
take my pain)  
a gentle touch thats lost its meaning  
holding on I have no feeling

so trust me, baby  
when I say maybe  
we could talk  
about what we both..  
but you make it so hard  
to realize what we had is gone  
to relaize what we had is gone  
lets talk trust lets talk trust  
lets talk trust lets talk trust tonight  
lets talk trust lets talk trust  
lets talk trust lets talk trust tonight  
lets talk trust lets talk trust

lets talk trust lets talk trust tonight  
what you do to me  
lets talk trust lets talk trust  
lets talk trust lets talk trust tonight

so trust me, baby  
when I say maybe  
we could talk  
about what we both  
but you make it so hard  
to realize what we had is gone  
to realize what we had is gone  
so trust me, baby  
when I say maybe  
we could talk  
about what we both  
but you make it so hard  
to realize what we had is gone  
to realize what we had is gone
