The sun will come out in the morning  
And my tears will hide me from this place  
The sun will come out in the morning  
And my tears will hide me from your face

I'm at this four way stop again  
A place where I go when get lost  
I'm at this ridge again with pen and paper  
In my hand

So take this or leave this now my friend.  
Be mine.  
So take this or leave this now my friend.  
Be mine.  
Take me back again.

I'm at this quiet place again  
I need silence so I'll move on  
I'm at this bar again, I'll drink for hours  
So I forget

So take this or leave this now my friend.  
Be mine.  
So take this or leave this now my friend.  
Be mine.  
Take me back again.

Runaway from what you used to be.  
Take back what I took from you.

(So take this, or leave this)
