### "One Way Culture"

I wanna help my people  
They are down and need my song  
I wanna join the rebels  
And free this country once for all  
The rich enjoy the laws they make  
They turn the people against their own  
Shouldn't we conquer our lives back?  
And fight for what the young kids have  
One-way culture  
One-way street  
Some will suffer  
Some will eat  
"My son, you frightened me  
I don't know you anymore"  
"But I'm a man now can't you see  
And life no longer wait for me"  
We will buy liberty with blood  
The one-way culture must be stopped  
I am young and I belong to strength and  
Hope for life itself  
One-way culture

One-way street

Some will suffer

Some will eat
