"Play It Safe"

Visit "[Play It Safe](#)" on MotoLyrics.com

You don't know my world

You don't know my kind

I never share my feelings

And I got no time

Do you want this boy?

Do you want this girl?

Do you take all your chances

No!

Cause you play it safe

In all the little things you do

If you want your life

Then put yourself at stake

You don't know my thoughts

You don't see my heart

I never seek reaction

So it's not my fault

Is your life in vain?

Do you want to change

So you can make difference

Yeah!

Cause you play it safe

In all the little things you do

If you want your life

Then put yourself at stake
